## **Diamond Community Investors Amended and Restated Charter**

This Diamond Community Investors Charter (as amended and restated, this “**Charter**”) governs some of the operations of Market Creek Partners, LLC, a California limited liability company (the “**Company**”). Capitalized terms are either defined in this Charter or in the Operating Agreement of the Company dated \_\_\_\_\_ (the “**Operating Agreement**”).

This Charter states the additional rights, privileges and responsibilities that holders of Diamond Community Investor Units (“**DCI Units**”) have, as compared to the other Members of the Company. This Charter is also intended to facilitate communication between management of the Company and the Diamond Community Investors. ~~This communication will be made primarily and provide appropriate governance and representation of the interests of the Diamond Community Investors.~~ These objectives are accomplished through a group called the Diamond Community Advisory Council (the “**Council**”) that will be controlled by the Diamond Community Investors. The Council will be empowered to represent the interests of the Diamond Community Investors in interaction with the Company, the Manager and other classes of Members. It will also provide advice and input to the Company reflecting the points of view of the Diamond Community Investors regarding the Project and other matters affecting the Company’s business. The Council will also act on behalf of the Diamond Community Investors to consider and negotiate (i) the potential sale of the DCI Units in 2012, and (ii) the potential purchase of all Units held by JCNI in 2018. Any such transaction would be subject to the approval of the Diamond Community Investors.

Another important function of this Charter is to help assure that ownership of the DCI Units remains with Diamond Community Stakeholders. The original offering of DCI Units is limited to Diamond Community Stakeholders. This Charter is designed to assure that ownership of the DCI Units remains with Diamond Community Stakeholders after the original offering. The Council is empowered to review these issues and make recommendations to the Company.

Diamond Management’s rights, interests and duties under this Charter cannot be transferred to any other person or entity other than a successor by merger, reorganization or sale of all or substantially all of its assets. If this type of permitted transfer occurs, this Charter shall be binding upon Diamond Management’s successor.

Members of the Council are referred to as “**Advisors**” in this Charter. Officers and members of committees appointed by the Council under the Charter are referred to as “Officers” and “Committee Members,” respectively, in this Charter. Advisors, Officers and Committee Members are referred to as “Representatives” in this Charter. A Member of the Company who holds DCI Units is referred to as a “Diamond Community Investor” in this Charter. All section references in this Charter are to sections of this Charter unless otherwise specified.

1.2.2 Do any act or deed with the intention of harming the Company; or

1.2.3 Disclose any confidential information related to a person's status as a Diamond Community Investor to persons other than that Diamond Community Investor, the Manager and their professional advisors.

1.3 Composition and Governance of the Council.

1.3.1 Elections of Advisors and Terms of Office.

1.3.1.1 Elections at First Annual Meeting. Diamond Management shall give notice of the date for the first annual meeting of Diamond Community Investors, which shall be held within 90 days after the end of the Offering. The notice shall suggest procedures for the nomination and election of Advisors. Any Diamond Community Investor entitled to vote may nominate one person to run for election as an Advisor at the first annual meeting by delivering a written nomination to Diamond Management no later than 30 days after the notice for the first annual meeting was given by Diamond Management. To be on the ballot, each nominee must participate in the selection process determined by Diamond Management and agree to serve if elected. At the first annual meeting, the Diamond Community Investors shall elect eight Advisors. Following the election, the Council shall randomly assign each elected Advisor to serve for a term of a given length, as follows: three Advisors shall serve for three-year terms and until their successors are elected; three Advisors shall serve for two-year terms and until their successors are elected; and two Advisors shall serve for one-year terms and until their successors are elected. At the first annual meeting, the ninth Advisor shall be designated by Diamond Management (the "**DMI Representative**") and shall serve for one seven-year term. The DMI Representative may be removed or replaced by Diamond Management at any time. Each elected Advisor shall serve until his or her successor is elected, he or she is removed from the Council, or he or she resigns from the Council, whichever occurs first.

1.3.1.2 Elections at Subsequent Annual Meetings. As the initially-elected Advisors' terms expire, new Advisors will be elected at subsequent annual meetings to serve for three-year terms and until their successors are elected. At the eighth annual meeting, in addition to election of Advisors to fill seats of Advisors whose terms are ending, one Advisor shall be elected to replace the DMI Representative. After this meeting, there will no longer be a DMI Representative on the Council.

1.3.1.3 Voting by Ballot. Voting shall be by written ballot. The list of nominees for each open Advisor position will be on the ballot.

1.3.2 Staggered Terms. No matter how many Advisors are serving, other than at the first annual meeting, Advisors elected by the Diamond Community Investors shall be elected for staggered three-year terms in numbers as nearly equal each year as possible.

1.3.3 Qualifications. Each Advisor, other than the DMI Representative, shall be a Diamond Community Investor, or a representative of an organization that is a Diamond Community Investor. If at any time an Advisor no longer meets these qualifications he or she will no longer be entitled to serve on the

Council and will automatically be removed. However, any vote by the Advisor that was cast after he or she was removed shall not be invalidated solely because he or she no longer met such qualifications.

1.3.4 Nominations by Diamond Community Investors at Subsequent Annual Meetings. Any Diamond Community Investor entitled to vote may nominate one person to run for election as an Advisor at each meeting at which Advisors are to be elected by delivering a written nomination to the Council no later than nine months after the date of the previous annual meeting. To be on the ballot, each nominee must participate in the selection process determined by the Council and agree to serve if elected.

1.3.5 No Other Nominations. All nominations must be made in advance as required under Section 1.3.4. The chairperson of an annual meeting shall not have the power to accept nominations at the meeting.

1.3.6 Voting. At each meeting, each Diamond Community Investor entitled to vote shall have, and may cast, one vote for each vacancy on the Council, regardless of how many DCI Units are held by that Diamond Community Investor. Votes may be cast in person or by proxy. The candidates receiving the highest numbers of affirmative votes shall be elected. Votes against a nominee and votes withheld shall not be counted. After the first annual meeting, there will be a separate vote for each “class” of Advisor based on term length. If more than one “class” is being elected at a meeting, a person may be a nominee for more than one “class,” but can be elected to only one position. The vote for each “class” will be taken in the order of the longest-term “class” first.

1.3.7 Number of Advisors. The Council shall have nine initial Advisors. The number of Advisors may be changed at any time to any number between five and eleven, by Majority Vote of the DCI Units and the unanimous approval of the Advisors. If the number of Advisors is reduced, the Advisors then in office shall be entitled to serve out their remaining terms. If the number of Advisors is reset at any time, the number of Advisors to be elected at each subsequent meeting shall be adjusted accordingly. A DMI Representative will always be an Advisor until the eighth annual meeting.

1.3.8 Directors and Officers Insurance. The Company shall carry directors and officers insurance which shall cover each ~~Advisor~~ Representative for the period of time of their service and for a period of three years thereafter. [Coverage needs to be verified with carrier before expanding this language to cover Representatives other than Advisors]

1.3.9 Vacancies. A vacancy in a position as Advisor shall be deemed to exist (i) in the Event of Insolvency of an Advisor, or if an Advisor dies, resigns, or is removed; (ii) if a majority of the Advisors (other than the Advisor at issue) declare vacant the office of an Advisor for whom a conservator has been appointed by a court; (iii) if the authorized number of Advisors is increased; or (iv) if the Diamond Community Investors fail to elect the full authorized number of Advisors to be elected at any meeting. The remaining Advisors shall have the power to fill any vacancy, other than a vacancy in the DMI Representative seat. The Diamond Community Investors may elect an Advisor at any time to fill a vacancy not filled by the Advisors. An Advisor elected to fill a vacancy shall serve until the expiration of the term of office of the Advisor he or she replaced, unless the vacancy is the result of an increase in the authorized number of Advisors, in which case the newly-elected Advisor shall serve a three-year term.

1.3.10 Resignation of Advisors. Any Advisor may resign by giving at least 45 days written notice of his or her resignation to the Council. A resigning Advisor shall not disclose his or her resignation, except to the other Advisors, until the resignation is effective.

An Economic Interest Owner is a holder of DCI Units who has the right to receive distributions from the Company and to be allocated a share of the Company’s net income and net losses, but who does not have the right to vote, to receive information from the Company or to participate in the management of the Company. Once a Transfer has been made, the original Diamond Community Investor making the transfer (the **“Transferor”**) will no longer have any rights associated with, or ownership interest in, the transferred DCI Units. A **“Permitted Transfer”** is any Transfer: (i) to an inter vivos revocable trust of which the Transferor is the only trustee and the only current beneficiary (or, where the DCI Units being transferred are held jointly, the Transferors are together the only trustees and current beneficiaries), (ii) effected by changing the title of the DCI Units to the name of the holder and the holder’s spouse, or vice versa, or (iii) that the Manager determines need not comply with this Section 3.1. A DCI Unit holder making a Permitted Transfer shall be deemed to continue to own the DCI Units following such Permitted Transfer for purposes of this Charter. For a Transfer, other than a Permitted Transfer, to be approved and permitted, each of the following requirements must be satisfied:

3.1.1 At least 20 DCI Units are Transferred (or all DCI Units owned by the Transferor if less than 20 are owned).

3.1.2 The Manager determines, in its reasonable discretion, that the Transfer complies with this Section 3.1 and with the Operating Agreement.

3.1.3 The Transfer is not made to a minor (under 18 years old) or to a person who, for any reason, lacks the legal capacity to enter into contracts, except as follows: (i) the Transfer occurs as a result of the death of the Transferor (for example, by a will), or (ii) the Transfer is made to a custodian or trustee for a minor or other person who lacks contractual capacity, so long as the custodian or trustee meets the requirements to be a Diamond Community Investor.

3.1.4 The Manager determines, with advice of counsel, that the Transfer complies with applicable federal and/or state securities laws, and that the Transfer will not have the likely result of causing the Company to be required to register any securities under the Securities Exchange Act of 1934.

3.1.5 The Manager determines, with advice of counsel, that, despite the Transfer, the outstanding DCI Units as a whole will not be deemed traded on an established securities market or “readily tradable on a secondary market (or the substantial equivalent thereof)” under federal and/or state securities laws applicable to publicly traded partnership status.

3.1.6 The Transfer is in writing, does not violate any of the provisions of the Operating Agreement, is signed by the Transferor, and is accepted by the Manager in writing.

3.1.7 The Transferor pays a Transfer fee to the Manager, in an amount determined by the Manager, to cover all reasonable expenses, including attorneys’ fees, related to the Transfer.

3.1.8 After the Transfer, the Transferee (and its Affiliates, if any) would not own, directly or indirectly, beneficially or of record more than 1,000 DCI Units.

3.1.9 The Transferee (i) is a Diamond Community Stakeholder, (ii) is a California resident and (iii) meets the following financial criteria (except a Transfer resulting from death or by gift or bequest):

(A) If the proposed Transferee is an individual (or a husband and wife), the amount being invested may be no more than the greater of: (i) 10% of federal taxable income for the most recent year filed, or (ii) 10% of current net worth, which for purposes of this calculation excludes home, home furnishings, automobiles and any and all retirement or pension accounts or benefits.

(B) If the proposed Transferee is a fiduciary (such as a custodian for a minor), the amount of the investment will be limited based on financial status of the fiduciary. A “fiduciary” means a person who has a legal duty to act for the benefit of another person.

(C) If the proposed Transferee is a for-profit organization, the amount being invested may be no more than the greater of: (i) 10% of federal adjusted gross income for the most recent year filed, or (ii) 10% of current net assets. Such Transferees will be requested to submit tax returns and financial statements for the most recent year available.

(D) If the proposed Transferee is a nonprofit organization, the amount being invested may be no more than the greater of: (i) 10% of total revenues and gains for most recent year available, or (ii) 10% of total unrestricted net assets. Nonprofit organizations will be requested to submit tax returns and financial statements for the most recent year available.

A Transfer that does not comply with this Section 3.1 shall be void and of no effect. However, if applicable law does not permit the Transfer to be deemed void, then the Transferee will not be a Member of the Company, but an Economic Interest Owner only, and will only have the rights of a judgment creditor under Section 17302 of the Beverly-Killea Limited Liability Company Act.

### 3.2 Becoming a Diamond Community Investor Upon Transfer.

3.2.1 No Economic Interest Owner shall be admitted to the Company as a Diamond Community Investor unless (i) the Manager consents, which may be given or withheld in the Manager’s sole and absolute discretion, and (ii) all of the following conditions are satisfied in the Manager’s judgment:

(A) A written assignment is filed with the Company specifying the number of DCI Units being assigned and stating the Transferor’s intention that the Transferee succeed to the Transferor’s interest as a Diamond Community Investor;

(B) The Transferee delivers to the Manager a (i) written acceptance and adoption by the Transferee of the Operating Agreement, including this Charter, and (ii) a signed special power of attorney, the form of which is described in Section 12 of the Operating Agreement;

(C) The Transferor and Transferee sign and deliver any other document the Manager may deem necessary or desirable to complete the admission of the Economic Interest Owner as a Diamond Community Investor, which may include an opinion of counsel regarding the effect and legality of any proposed Transfer;

(D) The Transferee is a Diamond Community Stakeholder; and

(E) A transfer fee sufficient to cover all reasonable expenses, including attorneys' fees, related to the Transfer and Transferor's becoming a Diamond Community Investor, in an amount determined by the Manager, is paid to the Company.

Within 45 days of receiving the written assignment required by Section 3.2.1(A), the Manager shall notify the Transferee in writing whether or not the Transferee is accepted for admission to the Company as a Diamond Community Investor, and if accepted, the date of admission.

3.2.2 Notwithstanding Section 3.2.1, even if none or only some of the conditions set forth in Sections 3.2.1(A) through 3.2.1(E) are met, the Manager may, in its sole and absolute discretion, approve an Economic Interest Owner's admission to the Company as a Diamond Community Investor.

3.3 Consent of Diamond Community Investors. By signing or adopting the Operating Agreement, each Diamond Community Investor consents to the admission of additional Diamond Community Investors, and to any Economic Interest Owner becoming a Diamond Community Investor, upon consent of the Manager and in compliance with the Operating Agreement and this Charter.

3.4 Definition of Diamond Community Stakeholder. A Diamond Community Stakeholder is a person or organization that is:

3.4.1 Able to demonstrate a proven commitment to the strengthening of any of the following neighborhoods in the City of San Diego: Chollas View, Emerald Hills, North Encanto, South Encanto, Lincoln Park, Mountain View, Mt. Hope, Oak Park, Valencia Park or Webster (the "**Diamond Neighborhoods**"); and

3.4.2 Meets one of the following criteria: (i) lives in one of the Diamond Neighborhoods; (ii) owns, operates or works in a business located in one of the Diamond Neighborhoods; or (iii) works or volunteers with, or is, a group or organization located in one of the Diamond Neighborhoods.

4. Repurchase Reserve; Repurchase of DCI Units. After the second anniversary of the end of the Offering, the Company has the right, in the Manager's sole discretion, to establish a repurchase reserve (the "**Repurchase Reserve**"). At least semi-annually after that date, the Manager shall (i) decide whether or not to establish or provide for additional contributions to the Repurchase Reserve, and (ii) decide whether or not to terminate the Repurchase Reserve (if established). Actions with respect to the Repurchase Reserve, including whether to repurchase DCI Units from any Diamond Community Investor, shall be taken in the Manager's sole discretion. If established, the Repurchase Reserve would be used only for the repurchase of DCI Units. If the Repurchase Reserve is established and then terminated, the funds in the Repurchase Reserve would be distributed to the holders of DCI Units.

4.1 The Repurchase Reserve may be funded with up to 5% of the Cash from Operations that would otherwise be distributed to holders of the DCI Units in any fiscal year.

4.2 If the Repurchase Reserve is established, a holder of DCI Units that wants all or a portion of the holder's DCI Units to be repurchased must deliver a written request to the Company. Requests will be considered by the Manager in the order in which they are received. The Manager may, in its sole discretion, decide to grant all, part of, or none of the requested repurchase.

4.3 If the Repurchase Reserve is established, the Council shall have the power to:

4.3.1 Advise the Company regarding adding funds to the Repurchase Reserve;

4.3.2 Review repurchase requests by holders of DCI Units; and

4.3.3 Make recommendations to the Company regarding proposed repurchases.

4.4 Within 90 calendar days after the Manager receives a written request for repurchase, the Manager will respond in writing to the holder of DCI Units that made the request. That response will indicate whether the Manager will grant all, part of or none of the requested repurchase, and, if the request is granted in whole or in part, will include the documents and a list of any additional information required to complete the repurchase, and will set a proposed effective date for the repurchase.

4.5 Signed documents to carry out the repurchase must be returned to the Company at least 30 days prior to the proposed effective date of the repurchase. If the documents and additional information required by the Manager are not delivered within this time period, the Company will not be obligated to complete the repurchase.

4.6 For repurchases occurring within four years from the end of the Offering, the purchase price for each repurchased DCI Unit will be equal to 95% of the fair market value of a DCI Unit on the date of repurchase. For all other repurchases, the purchase price for each repurchased DCI Unit will be equal to 90% of the fair market value of a DCI Unit on the date of repurchase. Fair market value shall be determined once each calendar year by the Manager based upon the Manager's review of the value of the Property, which shall not require an appraisal of such Property, and the liabilities of the Company. In making this determination, the Manager may base the estimate of value upon the estimated amount the Diamond Community Investors would receive if the Property was sold for its estimated value and if the proceeds were distributed in a liquidation of the Company.

4.7 Only amounts then held in the Repurchase Reserve may be used to repurchase DCI Units.

4.8 Upon receipt of the required documentation, the Company will, on the effective date of the repurchase, repurchase the DCI Units.

4.9 The Company shall not repurchase more than 1,000 DCI Units in any 12 month period.

4.10 In no event shall the Company repurchase any DCI Units owned by a then-serving Advisor or his or her Affiliates.

## 5. Right to Sell DCI Units.

5.1 Beginning on July 1, 2012, the Council shall determine if it might be in the best interests of the Diamond Community Investors to sell all of the

then-outstanding DCI Units at fair market value (the “**Sale Transaction**”) to the Company, JCNI, NUF, Diamond Management and/or one or more of their respective nominees, provided that any such nominee qualifies as a Diamond Community Stakeholder (collectively, the “**Potential Purchasers**”). If the Council makes such a determination, it shall call and hold meetings of the Diamond Community Investors to evaluate the potential Sale Transaction. The Council shall also begin discussions with the Potential Purchasers regarding such a potential Sale Transaction.

5.2 To facilitate the discussion of the potential Sale Transaction, and to ultimately provide an appraisal of all of the DCI Units, taken as a whole, the Council shall hire an appraiser (the “**Sale Appraiser**”). The Sale Appraiser shall (i) be a member of the American Society of Appraisers, (ii) have at least 20 years experience appraising interests in entities holding commercial real estate, and (iii) have specific experience in appraising interests in such entities in the State of California. The Council shall choose the Sale Appraiser from a list of three qualified appraisers provided by JCNI. JCNI shall pay all costs of the Sale Appraiser’s services under a budget to be mutually approved by the Council and JCNI.

5.3 The Sale Appraiser shall appraise the value of the Company as a whole as of the sixth anniversary of the end of the Offering. The Sale Appraiser shall value the DCI Units as a whole by taking the value of the Company, dividing that value by the number of outstanding Units, and then multiplying the number of DCI Units by that value. After the appraisal is completed, the Council shall have the power to put to a vote of the Diamond Community Investors the question of whether the Sale Transaction shall occur. The vote must be taken on or before December 31, 2012. If such a vote is taken and more than 75% of the Diamond Community Investors vote in favor of the Sale Transaction, the Council shall promptly notify JCNI in writing (the “**Sale Vote Notice**”).

5.4 JCNI, the Council and the Diamond Community Investors shall all use their best efforts to complete the Sale Transaction within 90 days after JCNI receives the Sale Vote Notice. Each DCI Unit shall be paid for in cash, upon receipt of such documentation as JCNI may reasonably require. JCNI shall have the power to determine which of the Potential Purchasers shall participate in the Sale Transaction and in what proportions. All DCI Units shall be deemed sold and cancelled 60 days after notice of the completion of the Sale Transaction is sent by JCNI to the address of record of each holder of DCI Units and attempted delivery of payment to each holder of DCI Units of record at such address.

5.5 Upon completion of the Sale Transaction, all voting rights of the Diamond Community Investors and all powers of the Council shall automatically end and the Council shall automatically dissolve.

5.6 The time period requirements in this Section 5 may be modified by written agreement between JCNI and the Council, other than the time periods in Section 5.4 which may be extended only in JCNI’s sole discretion.

## 6. Right to Purchase JCNI’s Units.

6.1 Beginning on January 1, 2018, if the sale of all DCI Units under Section 5 has not previously occurred, the Council shall consider the advisability of a transaction in which the Company would purchase all outstanding Units held by JCNI (a “**Purchase Transaction**”). If the Council deems a Purchase Transaction is or could be in the best interests of the Diamond Community Investors, the Council shall have the power to explore the potential financing and structure of a Purchase Transaction. JCNI, Diamond Management, NUF and the Company shall cooperate with the Council in exercising this power and shall make available to the Council such personnel, records, forecasts and other information as the Council may deem necessary or appropriate for its evaluation. The Council may call and hold meetings of the Diamond Community Investors to evaluate a potential Purchase Transaction, including the financing and structure of such a transaction.

6.2 To facilitate the discussion of a potential Purchase Transaction, and to ultimately provide an appraisal of the DCI Units and the Units held by JCNI, the Council shall hire an appraiser (the **“Purchase Appraiser”**) and shall have the power to engage experts for the purpose of advising on the financing and structure of a Purchase Transaction (**“Purchase Advisors”**). The Purchase Appraiser shall (i) be a member of the American Society of Appraisers, (ii) have at least 20 years experience appraising interests in entities holding commercial real estate, and (iii) have specific experience in such appraisals in the State of California. The Council shall choose the Purchase Appraiser from a list of three qualified appraisers provided by JCNI. JCNI shall pay the costs of all of the services provided by the Purchase Appraiser and any Purchase Advisor under a budget to be mutually approved by the Council and JCNI.

6.3 Before putting a specific Purchase Transaction to a vote of the Diamond Community Investors, the Council shall work with the Company, JCNI and NUF to put together a structure for such Purchase Transaction acceptable to the Company, JCNI and NUF. JCNI shall not be required to guaranty any part of any financial obligation related to, or provide other financial or other support for, a Purchase Transaction.

6.4 Based upon a completed appraisal of the DCI Units and the Units held by JCNI prepared by the Purchase Appraiser, which appraisal shall not include a controlling interest premium, the Council shall have the power to put to a vote of the Diamond Community Investors the question of whether a Purchase Transaction negotiated and agreed to by the Council, the Company, JCNI and NUF shall occur. The appraisal upon which the vote is taken must be dated no later than July 1, 2018 (the **“Purchase Transaction Appraisal”**). The vote, if such a vote is to occur, must be taken on or before September 30, 2018. If such a vote is taken and more than 75% of the Diamond Community Investors (one vote per Diamond Community Investor) and more than 75% of the total outstanding DCI Units (one vote per DCI Unit) vote in favor of a Purchase Transaction, the Purchase Transaction shall be deemed approved and the Council shall promptly send written notice to JCNI and each Diamond Community Investor (the **“Purchase Vote Notice”**) in accordance with Section 2.3.2.

6.5 After receipt of the Purchase Vote Notice, JCNI, Diamond Management, NUF, the Company and the Council shall all use their best efforts to complete the Purchase Transaction within 90 days after JCNI receives the Purchase Vote Notice, subject to satisfaction of any financing, regulatory and legal requirements.

6.6 Diamond Community Investors who vote against a Purchase Transaction which is deemed approved under Section 6.4 and who provide a written notice to the Council within 30 days of the date the Purchase Vote Notice was sent (each, a **“Non-Approving Diamond Community Investor”**) shall be entitled to have all, but not less than all, of their DCI Units purchased by the Company at the price fixed in the Purchase Transaction Appraisal. The Company shall purchase all, but not less than all, of the DCI Units of each Non-Approving Diamond Community Investor within 30 days after a Purchase Transaction is consummated. If a Purchase Transaction is not consummated for any reason, the Company shall have no obligation to purchase the DCI Units of any Non-Approving Diamond Community Investor.

6.7 The time periods in this Section 6, other than in Section 6.8, may be extended in the sole discretion of Diamond Management.

6.8 If a Purchase Transaction is not completed under this Section 6, the Council may reconsider the advisability of a Purchase Transaction and these procedures may recommence (with the dates in Section 6.4 to be adjusted according to the relevant calendar year), in the discretion of the Council, on every third anniversary of January 1, 2018, until the earlier of the completion of a Purchase Transaction or the dissolution of the Company.

7. Amendments of the Charter. Amendment of this Charter must be in accordance with the terms of the Operating Agreement of which it is a part, under Section 14 of the Operating Agreement. Section 14.2, in particular, generally requires at least a Majority Vote of the Units for approval of any amendment. It is the intent of the following provisions that amendments of the Charter portion of the Operating Agreement shall also require an additional approval of the Diamond Community Investors.

7.1 An amendment of this Charter may be proposed by the Manager, Members holding a majority of the outstanding Units entitled to vote, or the Council.

7.2 An amendment shall be proposed by preparing and circulating to the Council and the Manager a draft of the Charter showing the proposed changes in a “redline” form.

7.3 If it has not already done so, the Council shall determine whether the proposed amendment would be in the best interests of the Diamond Community Investors. Following such determination, the Manager shall solicit the intentions of Members other than Diamond Community Investors to determine preliminarily whether there is a sufficient number of votes to approve the proposed amendment under Section 14 of the Operating Agreement.

7.4 If the Manager determines that the proposed amendment would most likely be approved under Section 14 of the Operating Agreement (which may in some circumstances depend on the votes of the Diamond Community Investors, which will be counted under Section 14 on a per Unit basis rather than on a per capita basis), then the Manager will so report to the Council and the Manager shall call a meeting of the Members of the Company and the Council will call meeting of the Diamond Community Investors, which meetings will occur simultaneously and at the same location.

7.5 At the meeting, the amendment will be deemed approved if the vote required under Section 14 is obtained, and by Majority Vote of the Diamond Community Investors (per capita).

7.6 The Secretary shall subscribe the amendment in the minutes of the Council and each Advisor shall acknowledge the amendment in writing, and the Manager shall subscribe the amendment with the Operating Agreement as part of the Operating Agreement as amended and shall take any other actions required to make such amendment effective pursuant to the Operating Agreement.

8. 7. Notices. All notices or other communications required or permitted by this Charter shall be in writing and shall be addressed to the addresses set forth below or to such other address as may be specified by any Diamond Community Investor to the Council, or by the Council to the Diamond Community Investors, pursuant to notice given by such party in accordance with the provisions of this Section 7:

**If to the Council:**

Diamond Community Advisory Council  
c/o Diamond Management, Inc.  
404 Euclid Avenue  
San Diego, California 92114

**If to a Diamond Community Investor:**

To the address appearing on the books of the  
Company for such Diamond Community Investor

The undersigned, being the initially elected and acting members of the Diamond Community Advisory Council, hereby acknowledge their responsibilities under this Charter and agree to carry out their duties in good faith to promote the interests of the Diamond Community Investors in accordance with this Charter.
